Medvedgrad Pub-Brewery was founded in 1994, at the crossroads of Savska and Vukovarska Streets. In 2005, the original pub was closed, but continued its tradition on new locations: Ilica 49, Tkalčićeva 36 and Samoborska 217.

With top-quality beer, delicious food and great service, Medvedgrad pubs have turned into much frequented meeting-places of Zagreb beer lovers.

You are welcome to send us a text message or call us to say what you found good and where there is room for improvement!
